ADDENDUM

To: All Interested Proposers

From: Diana Billingsley

Date: December 20, 2016

Subject: **Cisco Networking Equipment IFB #17-003 Addendum I**

This addendum includes responses to all questions submitted prior to 12:00 p.m. MST, Tuesday, December 20, 2016.

Any questions or additional information required by interested vendors must be emailed to bidquestions@ehnel Paso.org . IFB number and title must be on the “Subject Line” of the email. Attempts to circumvent this requirement may result in rejection of the proposal.

IFB No. 17-003
Cisco Networking Equipment
Q&A

Emergence Health Network has received the following questions in response to its Information for Bid (IFB) for Cisco Networking Equipment. Responses to these questions are being provided publicly to all possible candidates:

Question Raised	Reply/Clarification
<i>“Proposal must include Labor to Assemble and Install per Plan” though we do not see a Plan or SOW attached to this IFB. Is EHN looking to install product themselves or is EHN looking for vendor to provide fees to install and configure?</i>	Emergence Health Network will install and configure all of the equipment. Please disregard the line that reads “Proposal must include Labor to Assemble and Install per Plan” on page 4.
<i>Do you need to be an authorized CISCO reseller to bid?</i>	Yes.
<i>Would vendors be allowed to price “Cisco One” where vendor feels would be most beneficial and appropriate for EHN, in addition to the services requested on the BOM?</i>	At this time we do not want Cisco One, please do not price this out on the quote.
<i>What is the plan for install?</i>	Emergence Health Network will not need installation services. Both installation and configuration will be done in-house.
<i>What is the current equipment?</i>	
<i>What type of configuration is needed?</i>
