## General Provisions

These General Provisions are considered standard language for all EHN proposals and RFP/IFB documents. If any “specific proposal requirements” differ from the General Provisions listed here, the “specific proposal requirements” shall prevail.

### 1. RFP PACKAGE

The proposal, general and special provisions, drawings, specifications/line item details, contract documents and the proposal sheet are all considered part of the proposal package. Proposals must be submitted on the forms provided by EHN, including the proposal sheet completed in its entirety and signed by an authorized representative by original signature. Failure to complete and sign the proposal sheet/contract page (s) may disqualify the proposal from being considered by EHN. Any individual signing on behalf of the proposal expressly affirms that he or she is duly authorized to tender this proposal and to sign the proposal sheet/contract under the terms and conditions in this proposal. Proposer further understands that the signing of the contract shall be of no effect unless subsequently awarded and the contract properly executed by the CEO. All figures must be written in ink or typed. Figures written in pencil or with erasures are not acceptable. However, mistakes may be crossed out, corrections inserted, and initialed in ink by the individual signing the proposal. Changes must also be made to any electronic copies submitted. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail. Each proposer is required to thoroughly review this entire proposal packet to familiarize themselves with the proposal procedures, the plans and specifications for the requested work as well as the terms, and conditions of the contract the successful proposer will execute with EHN.

### 2. COMPETITIVENESS AND INTEGRITY

To prevent biased evaluations and to preserve the competitiveness and integrity of such acquisition efforts, proposers are to direct all communications regarding this proposal to the [bidquestions@ehnel Paso.org](mailto:bidquestions@ehnel Paso.org) or assigned designee, unless otherwise specifically noted.

An authorized person from the submitting firm must sign all proposals. The signature acknowledges that the proposer has read the proposal documents thoroughly before submitting a proposal and will fulfill the obligations in accordance to the terms, conditions, and specifications.

Please carefully review this Request for Proposal. It provides specific information necessary to aid participating firms in formulating a thorough response.
