**4. REPORTS AND PRESENTATIONS**

**A. Receive CEO report regarding current EHN operations to include strategic plan update.**

Ms. Kristen Daugherty provided a presentation highlighting the center wins accomplished in the month of May/June.

- EHN was one of six recipients nationwide to receive the SAMHSA Gain’s Eight Guiding Principles for Behavioral Health and Criminal Learning Collaborative. The learning collaborative convened stakeholders from local entities to strategize on local criminal justice and mental health initiatives.
- The Joint Commission survey was conducted on May 8-10. EHN was re-accredited for three years.
- CEO and Associate CEO presented the MHCA incubator sessions in New Orleans on “How to Lead, Partner and Ensure Organizational Performance in the Shift to Value-Based Payments”.
- Several members of the EHN Leadership Team presented at Texas Council Annual Meeting on topics such as Forensic Psychiatry, Dashboard Technology and the 915 Cares School-Based Initiative.
- EHN provided Mental Health First Aid training to 200 Ysleta Independent School District teachers and administrators from every campus.
- The CIT team conducted a full-day outdoor live SWAT training scenario in collaboration with the El Paso Police Department and supporting organizations.
- Members of the Crisis Team presented an overview of emergency services to local stakeholders at the Vulnerable Populations conference hosted by the El Paso Department of Health.
- Opportunity: Reimbursement challenges continue with Alternatives PHP-IOP Program. Currently seeking external resources to refine processes.
- EHN hosted the National Council for Behavioral Health on July 23-25, 2019 for Health Disparities Leadership Conference. Twenty-five individuals from all over the country were present; they were overly impressed with EHN and our collaboration with the community.
- A strategic plan review of the 3rd quarter completion was provided to the board in detail to include: Service Excellence, Integration, Human Resources, Financial Stability and Additional Overall Strategic Initiatives. Completion and progress monitoring documents were projected for review.
Board of Trustees received a copy of the FY2020 Budget binder.

B. Receive presentation regarding program operation
Ms. Janet Ibarra, Program Manager provided the following:

- Multisystem Therapy Program (MST) overview was presented. Presentation included the mission, referral criteria, program details such as population and services being provided, techniques, model utilization and data analyzed. Program currently has a waiting list with an average time of 3 month wait.

C. Receive presentation regarding Netsmart Go Live.
Mr. Rene Navarro provided the following points:
- EHR system is fully implemented; Go Live was July 1-3, 2019.
- User feedback was positive
- EHN achieved a 91% on progress notes entered daily to final; Netsmart stated our center was one of the highest for day one implementation
- Estimated total time commitment from EHN totals 20,500 hours over 16 months
- Success factors include team effort, executive team support and Netsmart proved themselves as a responsive vendor to the centers needs
