<p>III. Multi-Systematic Therapy (MST) Interlocal Agreement Review</p>	<p>The purpose of this Agreement is to provide MST services. MST is an evidence based, 3-5 month intensive in home (when allowable) family counseling program that connects parents with the tools and resources needed to improve communication and strengthen the family unit. The goal of MST services is to keep children and families safe, and prevent out of home placement.</p>		<p>Chrystal Davis</p>
<p>IV. Mental Health Suicide Care Pilot Project Review</p>	<p>Mental Health Suicide Care Pilot amendment was presented with additional funding to move forward on the implementation of the Zero Suicide Texas Initiative program.</p>		<p>Chrystal Davis</p>
<p>V. CEO Updates</p>	<p>Bridge Back plan updates were presented. EHN is currently assessing what programs need to be open for face to face services, as of today Partial Hospitalization and OBOT programs are operating onsite based on needs. Also using Doxy.me platform to provide services, which allow the agency to move away from the audio only features. In addition, Day-hab is also opened to provide services for individuals enrolled in the program.</p>	<p>Committee suggested for a program to present during next meeting focusing on changes needed to accommodate to provide services in COVID environment</p>	<p>Kristen Daugherty/Ashley Sandoval</p>
<p>VI. Adjournment</p>	<p>Meeting adjourned at 9:11 a.m.</p>
