BACKGROUND

Auditing requirements for the CENTER are contained in the Guidelines for Annual Financial and Compliance Audits of Community MHMR Centers.

The CENTER is a public entity which was established under the Texas Mental Health and Mental Retardation Act of 1965 and organized under Chapter 534, Title 7 of the Texas Health and Safety Code. This act provided for the creation of local boards of trustees. The CENTER’s current board of trustees is appointed by the Commissioners Court of El Paso County, Texas and the El Paso County Hospital District by means of an interlocal agreement to develop and implement community-based mental health and intellectual developmental disability services. The CENTER is governed by an independent board which has the authority to make decisions, appoint the executive director/chief executive officer, significantly

influence operations, and has the primary accountability for fiscal matters. The CENTER is not included in any other governmental "reporting entity" as defined by Section 2100, codification of Governmental Accounting and Financial Reporting Standards.

In evaluating how to define the CENTER, for financial reporting purposes, management considers all component units. The decision to include a potential component unit in the reporting entity is made by applying the criteria set forth in GASB Statements No. 14 and 39. Based on these criteria, the CENTER has determined that the following entities are component units of the CENTER.

SUNNYSIDE APARTMENTS, INC.

Sunnyside Apartments, Inc., a Texas non-profit corporation, was organized in 1979 to purchase and maintain real estate. Sunnyside Apartments, Inc. operates a multi-family property known as Sunnyside Apartments which provides residential living programs for the mentally ill. The CENTER's Board of Trustees appoints the board of trustees for Sunnyside Apartments, Inc. and also has the ability to remove any trustees at will. As a result, the CENTER is financially accountable for Sunnyside Apartments, Inc.

SUN CITY BEHAVIORAL HEALTH CARE

Sun City Behavioral Health Care (Sun City) was organized as a non-profit corporation in 1999 under the provisions of the Texas Non-Profit Corporation Act. Sun City was organized to: 1) carry out scientific research projects in the public interest in the fields of medical science, medical economics, public health, sociology, and related areas; 2) improve and develop the abilities of individuals and institutions studying, teaching, and practicing medicine; 3) provide delivery of health care to the public, and 4) promote other activities useful in the accomplishment of the foregoing. Sun City was organized with the CENTER as the sole member. Accordingly, the CENTER Board of Trustees is responsible for appointing the entire board of directors for Sun City. Since the CENTER is responsible for the governance of Sun City the financial information for Sun City is included in the CENTER's basic financial statements as a blended component unit in an enterprise fund.

Copies of the CENTER's financial and compliance audits with notes to the Financial Statements are available upon request.

OBJECTIVES

Annual Audit

One purpose of this RFP is to obtain the services of a public accounting firm for the annual financial and compliance audit for FY22. The organization-wide Annual Audit will encompass the general purpose financial statements, combining statements and other schedules for the CENTER for the fiscal year ending August 31, 2022. The Annual Audit is to be performed in accordance with generally accepted auditing standards, Government Auditing Standards, the Uniform Grant and Contract Management Standards, the Single Audit Act of 1996, OMB Circular A-133, the Guidelines for Annual Financial and Compliance Audits of Community MHMR Centers, and the State of Texas Single Audit Circular.

The financial statement audit component of the Annual Audit is to determine whether (1) the financial statements present fairly the financial position, results of operations, and cash flows in accordance with generally accepted accounting principles, and (2) whether the CENTER has complied with laws and

regulations for those transactions and events that may have a material effect on the financial statements. The financial related component of the Annual Audit will also include determining whether (1) financial reports and related items are fairly presented, and (2) financial information is presented in accordance with the established or stated criteria.

As a part of the audit of the general-purpose financial statements, the Annual Audit will include obtaining an understanding of the CENTER's internal control structure and identifying any reportable conditions relating to the internal control systems coming to the attention of the auditors. Any reportable condition or material weakness noted during the study and evaluation of internal accounting and administrative controls must be reported to the Board of Trustees and the management of the CENTER.

As a part of the audit of the general-purpose financial statement's component of the Annual Audit, transactions and records pertaining to federal and state programs will be tested for material compliance with applicable federal and state laws, rules, and regulations, and all instances of noncompliance which are required to be reported under Governmental Auditing Standards will be reported to the Board of Trustees and the management of the CENTER.

The compliance audit component of the Annual Audit, commonly referred to as the single audit, subjects to testing all federal and state financial assistance. Federal and state financial assistance must be treated as separate populations for the determination of major programs. Major Type A and Type B financial assistance programs (as defined by the OMB Circular A-133 and the Texas Administrative Code (TAC)) will be tested for compliance with laws and regulations, as well as compliance with specific requirements of the grants or contracts. All instances of noncompliance will be reported to the Board of Trustees and the management of the CENTER.

SCOPE

Neither Contractor nor EHN shall be liable to the other for any delay in, or failure of performance, of any requirement included in the contract caused by force majeure. El Paso Emergence Health Network (EHN) and its dedicated staff are committed to assisting El Paso's most vulnerable citizens, residents with either or both severe and persistent mental illness and/or intellectual/development disabilities and/or substance abuse issues. At EHN we work to help these individuals and their families find resources and treatments to help with their disorders/disabilities and become as independent as possible.

EHN is proud to have created impactful change in the delivery of mental health, intellectual disability, and addiction services in the West Texas region. As the Local Mental Health and IDD Authority in El Paso County, it is our responsibility to meet the needs of our community and we believe the level of services and quantity of services we provide is unmatched in our area. We have dedicated employees and staff leaders who have contributed to the tremendous growth experienced company-wide which has allowed for the expansion and introduction of new services.

In 2016 EHN celebrated its 50th Anniversary and although we have undergone some name changes throughout the years, our commitment to our residents has remained the same. In 1963, President John F. Kennedy signed the Community Mental Health Act which established mental health centers in communities. It helped people with mental illness and/or IDD who were "institutionalized" move back into their communities by creating "Local Mental Health Authorities." In 1966, the Local Mental Health Authority (LMHA) was opened in El Paso and Emergence Health Network born. EHN is now one of 39 LMHA in Texas.

As the largest mental health provider in El Paso County, we currently have 19 service locations where we assist a wide array of our population to include adults, children, veterans, the homeless and justice-involved individuals.
