BACKGROUND

Home and Community Based Services (HCS) is a Medicaid 1915(c) waiver program that supplies services and support to Texans with an intellectual disability (ID) or a related condition so that they can live in the community. HCS services are intended to supplement rather than replace services received from other programs, such as Texas Health Steps, or from natural support, including families, neighbors, or community organizations.

The Texas Health and Human Services Commission (HHSC) contracts with public and private entities to provide HCS services. HHSC regularly monitors these providers to ensure quality of services. When enrolling in the HCS program, applicants choose their provider from a list of available providers in their area. Individuals are able to change providers at any time, even if they move to another area of Texas. Individuals can also choose to hire and train their own service providers under the Consumer Directed Services (CDS) option.

In case of default by the Proposer, EHN may procure the articles or services from other sources and may deduct from any monies due, or that may thereafter become due to the contractor, the difference between the price named in the contract of purchase order and the actual cost thereof to EHN. Prices paid by EHN shall be considered the prevailing market price at the time such purchase is made. Periods or performance may be extended if the facts as to the cause of delay justify such extension in the

opinion of the Purchasing Agent.

All costs associated with the Services, as defined by this RFA, must be included in the Respondent's Offer. Offers that do not meet all the requirements or contain all the required documentation specified in this RFA will be rejected as non-responsive.

The person signing on behalf of the Proposer expressly affirms that the person is duly authorized to render the proposal and to sign the proposal sheets and contract under the terms and conditions of this Proposal and to bind the Proposer thereto and further understands that the signing of the contract shall be of no effect until it is fully executed by both parties.

A proposer whose proposal does not meet the mandatory requirements set forth in this RFA will be considered noncompliant.

Each proposer, by submitting a proposal, agrees that if its proposal is accepted by EHN, such proposer will furnish all items and services upon the terms and conditions in this proposal and any resultant contract.

Texas Tort Claims Act

Contractor acknowledges that EHN is a governmental agency and subject to the Texas Tort Claims Act, Texas Civil Practice and Remedies Code Chapter 101. Nothing in this Agreement shall be construed as a waiver of the rights or immunities available to EHN under the Texas Tort Claims Act.

General Conditions and Stipulations

- a. ***Indemnification and Worker's Compensation.*** Contractor shall defend, indemnify, and hold harmless EHN, its officials, agents, and employees from and against all claims, damages, losses, and expenses, including attorney fees, arising out of or resulting from the Contractor's acts or omission in the performance of the duties required under the Agreement. Contractor acknowledges that EHN, as a governmental agency cannot indemnify third parties as per the requirements of Texas law.
- b. ***Independent Contractor.*** It is agreed nothing herein contained is intended or should be construed in any manner as creating or establishing the relationship of co-partners between the parties hereto. Further, nothing in this agreement shall be construed as establishing Contractor as the agent, representative or employee of EHN for any purpose or in any manner whatsoever. Contractor represents it has, or will secure at its own expense, all personnel required in performing services under this Agreement. Any and all personnel of the Contractor or other persons while so engaged, and any and all claims whatsoever on behalf of any such person or personnel arising out of employment or alleged employment including, without limitation, claims of discrimination against the Contractor, its officers, agents, or employees shall in no way be the responsibility of EHN. Such personnel or other persons employed by Contractor shall not be entitled to any compensation, rights or benefits of any kind available

to EHN employees, including, without limitation, medical and hospital care, sick and vacation leave, worker's compensation, unemployment compensation, disability, or severance pay.

Right to Terminate

EHN reserves the right to terminate this Agreement subject to thirty (30) calendar days' written notice to the Contractor. Contractor may submit a written request to terminate this Agreement only if EHN should substantially fail to perform its responsibilities as provided herein.

Additionally, EHN reserves the right to terminate this Agreement subject to thirty (30) calendar days written notice to the Contractor should it be later identified as a service which can be consolidated into a statewide/regionalized Agreement. EHN may exercise its option to cancel the remaining years of this Agreement, should it be decided that with additional institutions and/or sites, EHN would receive a better rate for the same service.

However, EHN can immediately terminate this Agreement for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the Agreement. In this instance, the Agreement termination shall be effective as of the date indicated on the EHN's notification to the Contractor.

This Agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or EHN's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

Liability for Loss and Damages

Any damages by the Contractor to an EHN facility including equipment, furniture, materials or other EHN property, will be repaired or replaced by the Contractor to the satisfaction of EHN at no cost to EHN. EHN may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor under this Agreement.

Accounting Principles

The Contractor will adhere to generally accepted accounting principles as outlined by the American Institute of Certified Public Accountants. Dual compensation is not allowed; a Contractor cannot receive simultaneous compensation from two or more funding sources for the same services performed even though both funding sources could benefit.

Liability for Nonconforming Work

All work provided by the Contractor shall conform to the latest requirement of federal, state, and local regulations. Contractor is responsible for compliance with all applicable laws, codes, rules and regulations in connection with work performed under this agreement.

The Contractor will be fully responsible for ensuring that the completed work conforms to the agreed upon terms. If nonconformity is discovered prior to the Contractor's deadline, the Contractor will be

given a reasonable opportunity to cure the nonconformity. If the nonconformity is discovered after the deadline for the completion of the project, EHN, in its sole discretion, may use any reasonable means to cure the nonconformity. The Contractor shall be responsible for reimbursing EHN for any additional expenses incurred to cure such defects.

Subcontractor/Consultant Information

Contractor is required to identify all subcontractors and consultants who will perform labor or render services in the performance of this Agreement. Additionally, the Contractor shall notify EHN in writing within ten (10) working days of any changes to the subcontractor and/or consultant information.

Temporary Nonperformance

If, because of mechanical failure or for any other reason, the Contractor shall be temporarily unable to perform the work as required, EHN, during the period of the Contractor's inability to perform, reserves the right to accomplish the work by other means and shall be reimbursed by the Contractor for any additional costs above the Agreement price.

Neither Contractor nor EHN shall be liable to the other for any delay in, or failure of performance, of any requirement included in the contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

15. PROPOSER INVESTIGATION

Before submitting a proposal, each Proposer shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the Agreement and to verify any representations made by EHN upon which the Proposer will rely. If the Proposer receives an award as a result of its proposal submission, failure to have made such investigations and examinations will in no way relieve the Proposer from its obligation to comply in every detail with all provisions and requirements of the contract, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever by the Proposer for additional compensation.

16. NO COMMITMENT BY EHN

This Proposal does not commit EHN to award any costs or pay any costs, or to award any contract, or to pay any costs associated with or incurred in the preparation of a proposal to this proposal, or to procure or contract for services or supplies.

Emergence Health Network (EHN) and its dedicated staff are committed to assisting El Paso’s most vulnerable citizens, the residents with mental illness, intellectual developmental disabilities (IDD) and/or substance use disorders. At EHN, we help individuals, and their families find the resources and treatments needed to improve their quality of life and function as independently as possible.

We believe the quantity and quality of services we provide is unmatched in our area. EHN has dedicated employees and staff leaders who have contributed to the growth of the organization and expansion of services benefiting our residents. As the largest mental health, IDD and substance use treatment provider in El Paso, we have multiple service locations and clinics where we assist a wide array of our population to include adults, children, veterans, the homeless and justice-involved individuals.

EHN has been serving our community for close to 60 years and although we have undergone some name changes throughout the years, our commitment to our residents has remained the same. In 1963, President John F. Kennedy signed the Community Mental health Act which established mental health centers in communities. It helped people with mental illness and/or IDD who were “institutionalized” move back into their communities by creating “Local Mental Health Authorities.” In 1966, the Local Mental Health Authority (LMHA) was opened in El Paso and Emergence Health Network was born. EHN is now one of several Local Mental Health Authorities (LMHA) and Local Intellectual and Developmental Disabilities Authorities (LIDDA) in Texas.
